April 12th at 7:10pm - In the Aloha State, entertaining is a part of life. Friends and family gathering for an elaborate sit-down dinner or a more laidback barbecue party is a common weekend activity, making it truly important to own a beautiful estate designed for hosting. And in **Big Island**, Hawaii, many beach homes are built for this purpose. Living rooms are spacious, with large picture windows, and a variety of home decor that inspire conversations: Paintings, sculpture, traditional Hawaiian furnishings, antiques, and other show pieces.
